

BILSTEIN®

Bob Johnson's G-Force 'Cuda
built by Johnson's
Hot Rod Shop

Have You Tried Bilstein Shocks Yet? Alan Johnson Has!

Try a set of Bilstein shocks today and turn your ride into a performance gem and show winner.

- Unique valving system produces full valving capacity within 2mm of shaft movement – compression and rebound instantly responds to changing suspension input
- Bilstein's industry leading monotube design and massive 1.81 inch piston diameter provides superior performance and comfort
- Coilover or smooth body aluminum and steel body models for stock to fully custom applications

Bilstein Rod Shocks and Coil Springs are MADE IN THE U.S.A.
and covered by a LIMITED LIFETIME WARRANTY
