

BILSTEIN® SHOCK ABSORBERS

*Pushing the Boundaries of Technology,
Performance and Comfort.*

- Bilstein's advanced monotube gas pressure design and massive 1.81" piston diameter provides superior performance and comfort
- Unique digressive valving system produces full valving capacity within 2mm of shaft movement – compression and rebound instantly responds to changing road input
- Coilover or smooth body aluminum and steel body models for stock to fully custom applications including Street Rods, Customs, Classics, Resto and Muscle Cars

*Bilstein
Rod Shocks and
Coil Springs are
MADE IN THE U.S.A.
and covered by a
Limited Lifetime
Aftermarket Warranty.*

BILSTEIN...the world leader in monotube gas pressure shock absorber technology.
