## SHOCK ABSORBERS

*There's a lot of wild roads out there.*

**Fortunately, Bilstein gives your Mustang the muscle to tame them.**

Finally, true high performance monotube gas pressure replacement shocks and struts are available for the newest generation Mustang. Bilstein struts, featuring our inverted tube technology, are stout enough to stand up to the highest "G" forces. And with Bilstein's race inspired monotube gas pressure technology, forget about fade.

Set your Mustang up with Bilstein and get the real performance handling you're looking for to flatten every road and straighten every curve.

Plus, check out our website to see the complete line of Bilstein shocks and struts for the rest of the vehicles in your stable.

**BILSTEIN...the world leader in monotube gas pressure shock absorber technology.**
