

BILSTEIN® SHOCK ABSORBERS

NEW Ride Height Adjustable 5100 Series Shocks

UP TO
2.5"
LIFT

- Designed for front coilover style pickup suspensions
- Multiple snap-ring grooves allows different spring seat positions providing 0" to 2.5" of front end lift, depending on vehicle application
- Utilizes the vehicle's stock front coil springs
- An extremely affordable and practical alternative to coil spring spacers, with the benefit of Bilstein's superior monotube technology, design and performance

4WD F-150 front shock shown at left
