Dust the Competition to Win Class 1  
On BILSTEIN Black Hawk® Shocks!**

Flying over the suspension destroying Zoo Road and through the hidden challenges of Matomi, Azufre and Huatomote washes, Armin Schwarz and Martin Christensen took their Bilstein Black Hawk® equipped BMW Jimco to the podium to capture first in class 1 and an incredible 4th overall at this year's San Felipe 250. From off-road winning vehicles to the tow vehicles that got them there and their support trucks, no other shock manufacturer offers as wide a range of applications as Bilstein.
